

Known as the best LED panel on the market and with a 5-year warranty, the versatile Matrix 40W has the unified glare rating (UGR) lower than 19 and can be applied in areas with very different dimensions, such as lounges, offices, supermarkets, shopping malls and airports. Available in two sizes, 600x600mm and 1200x300mm, the Matrix has a luminous flux of 3600 Lumens, a 120° beam angle and has two setting types, the ON-OFF and the dimmable 0-10VDC. The color temperature of this panel is 4200K and it can be recessed or surface mounted, but also suspended, simply installing the suspension kit in the surface mounted frame.

Considerado o melhor painel LED do mercado e com 5 anos de garantia, o versátil Matrix de 40W possui um índice de encandeamto (UGR) inferior a 19 e pode ser aplicado em áreas com dimensões muito diferentes, como por exemplo salas de espera, escritórios, supermercados, centros comerciais e aeroportos. Disponível em duas medidas, 600x600mm e 1200x300mm, o Matrix tem um fluxo luminoso de 3600 Lúmens, um ângulo de feixe de 120° e possui dois tipos de regulação, o ON-OFF e o dimável 0-10VDC. A temperatura de cor deste painel é de 4200K e pode ser encastrado ou saliente, como também suspenso, instalando simplesmente o kit de suspensão no aro saliente.
