

DESCRIPTION

STEN & ASTRID — Solid geometry, light with character

The STEN and ASTRID models combine robust design with impactful bidirectional lighting. The STEN, with its almost cubic shape, is ideal for wall applications where a bold, structured presence is desired. The ASTRID, featuring rectangular lines, delivers sophisticated light effects on façades and walls. Available in black and grey, they are perfect for demanding outdoor environments. With IP65 protection, Marine Coating treatment and a 5-year warranty, they offer the perfect blend of style and durability.
