

DESCRIPTION

The Outdoor Lighting range developed by Brilumen is essentially based on differentiated, highquality products with high IP ratings, and the floor lighting is no exception. To perfectly conclude the outdoor lighting of your balcony or garden, the inground and decks light choice - Lunen, Orion & Bennet - with IP65, will bring harmony to these places. NOTE: Orion and Bennett have 3 Volts, requiring an external drive to connect the luminaires to 230 Volts, as well a waterproof box to preserve the products' $\ensuremath{\mathsf{IP}}$ rating.

MOUNTING TYPE Surface LIGHT DISTRIBUTION Direct 230V / 50/60 Hz **POWER SUPPLY** WARRANTY 2 Years FINISHING **Brushed Aluminum**
