

## DESCRIPTION

Refined design for indoor and outdoor use.

With a fine textured finish and surface-mounted ceiling installation, the FRIGG (square shape) and IVOR (cylindrical shape) models are versatile solutions suitable for both indoor and outdoor spaces.

Available in black, white and grey, they combine elegance with robustness. Their discreet, contemporary design fits various architectural styles, while IP65 protection, Marine Coating treatment and a 5-year warranty ensure maximum reliability and resistance.
