

DESCRIPTION

LAZULI is a thin and elegant pendant light with a high-quality textured black or white finish that creates unique environments. It is available in four versions, one for recessed ceiling, one for surface, one for application in 48V EVO track and another for 3-circuit 230V universal track. LAZULI DOUBLE brings together 2 LAZULI in the same driver, allowing on one hand to reduce the space between the track lights thus changing the aesthetics, and on the other hand to reduce the total cost of the solution.
