

DESCRIPTION

The SLIM WAVE is presented with the LOW GLARE & OPAL or LOW GLARE & MICROPRISMATIC diffuser combination, emitting a high-quality light, thanks to the high Color Rendering Index (CRI→90) and a low level of glare, providing a pleasant and comfortable environment.

The SLIM WAVE is a luminaire that adapts perfectly to the needs and preferences of your project.

With about 3000lm, it is available in 3000K and 4000K color temperatures, three textured finishings, white, black, or silver, and offers a 5-year guarantee.

It's much more than just a luminaire - it's a statement of style and sophistication for any space.
