

**DESCRIPTION**

When the night hides the light, light up the stars with the Brilumen's spotlight range (Tinker Bell & Kyoto) and provide a beautiful light to your room, making it stunning. Thanks to its small size, with this range it's possible to create numerous designs on the ceiling or wall, and with a colour rendering index higher than 85. Due to its textured white finish and high IP rating, this versatile product range can be installed in numerous locations, working as ambient light and complementing the remaining light fittings, or even as a presence light in halls, lifts, etc.
